## FROM THE RECTOR

*“When the day of Pentecost had come, the disciples were all together in one place. And suddenly from heaven there came a sound like the rush of a violent wind, and it filled the entire house where they were sitting. Divided tongues, as of fire, appeared among them, and a tongue rested on each of them. All of them were filled with the Holy Spirit and began to speak in other languages, as the Spirit gave them ability.”*

This Sunday we will celebrate the Feast of Pentecost, the Church’s birthday! Flames and wind of the Spirit. The season after Pentecost is most often referred to as “ordinary time” or, as Godly Play calls it, “green and growing time.” Both of these are true and neither is complete. In the weeks and months to come we have a variety of opportunities to deepen our relationships with one another and with our larger community.

It is a wonderful time for Transfiguration to grow and explore!

We have plenty planned opportunities to connect AND I hope you will also stop by and visit with us if you happen to be passing by or have a bit of free time!

*Jennifer H.*
